Emergency Expulsion Appeal Procedures

You have a right to a hearing to contest the emergency expulsion. If you wish to request a hearing, you must do so in writing before the expiration of the tenth (10) school business day after the day you receive this notice. If you do not request a hearing within the specified time, you will have lost or waived your right to a hearing and the proposed emergency expulsion will take effect. Your written request for a hearing must be sent to the Assistant Superintendent, K-12 Education, 315 129th Street South, Tacoma, Washington 98444-5099 (Telephone 253-537-0211).

If you request a hearing, it will be scheduled to commence within three (3) school business days after the day upon which your request is received and you will have the right to:

- (1) inspect in advance of the hearing any documentary and other physical evidence which the school district intends to introduce at the hearing.
- (2) be represented by legal counsel.
- (3) question and confront witnesses.
- (4) present your explanation of the alleged misconduct, and
- (5) make such relevant showings by way of witnesses and the introduction of documentary and other physical evidence as you desire.

Further, the person assigned to present the school district's case shall have the right to inspect in advance of the hearing, any documentary and other physical evidence which you intend to introduce at the hearing. The person hearing the case shall not be a witness and the guilt or innocence of the pupil shall be determined solely on the basis of the evidence presented at the hearing. A tape-recording of the hearing will be made. A written decision setting forth the findings of the fact, conclusions, and the nature and duration of the expulsion or lesser form of corrective action or punishment, if any, shall be provided to you. The above procedures are pursuant to Washington Administrative Codes 180-40-295, 180-40-300 and 180-40-305.
