

Daycare Rules

These guidelines are based on bus route efficiency and primary residence address.
It also allows for some flexibility when classroom overloads occur.

1. The daycares on the list will be served by their corresponding schools.
2. Students who attend daycares that have more than one school identified will go to the school of their primary residence's catchment area.
3. Any exceptions to the rules MUST be authorized by the Assistant Superintendent.

Session	Business Name	Phone	Location	School Area
